

Ken,

At this point in time, because of our vast discussion and debate regarding both the LEOFF 1 and LEOFF 2 pensions, both pieces of legislation will most likely never come to a vote.

The Senate budget and the Democrat House Budget both include cuts to the LEOFF 2 Pension. The House Republicans have not included those pension cuts in their budget.

I am doing my best to ensure that both former and current first responders are fully covered by their pension plans. It is my belief that we will be able to achieve that goal this session.

Thanks for the email, feel free to write anytime with questions or concerns.

Thanks,

Mike Hope
